HWY 71 South out of Kansas City.

Follow signs for 71 South for roughly 137 miles to I-44.

For a short time you will have to drive on I-44 West in order to continue on 71 South (They are the same thing for a short distance). You take I-44 West, then exit 11 A-B to the right for 71 South, then exit 11A to the left. This will put you back on purely 71 South.

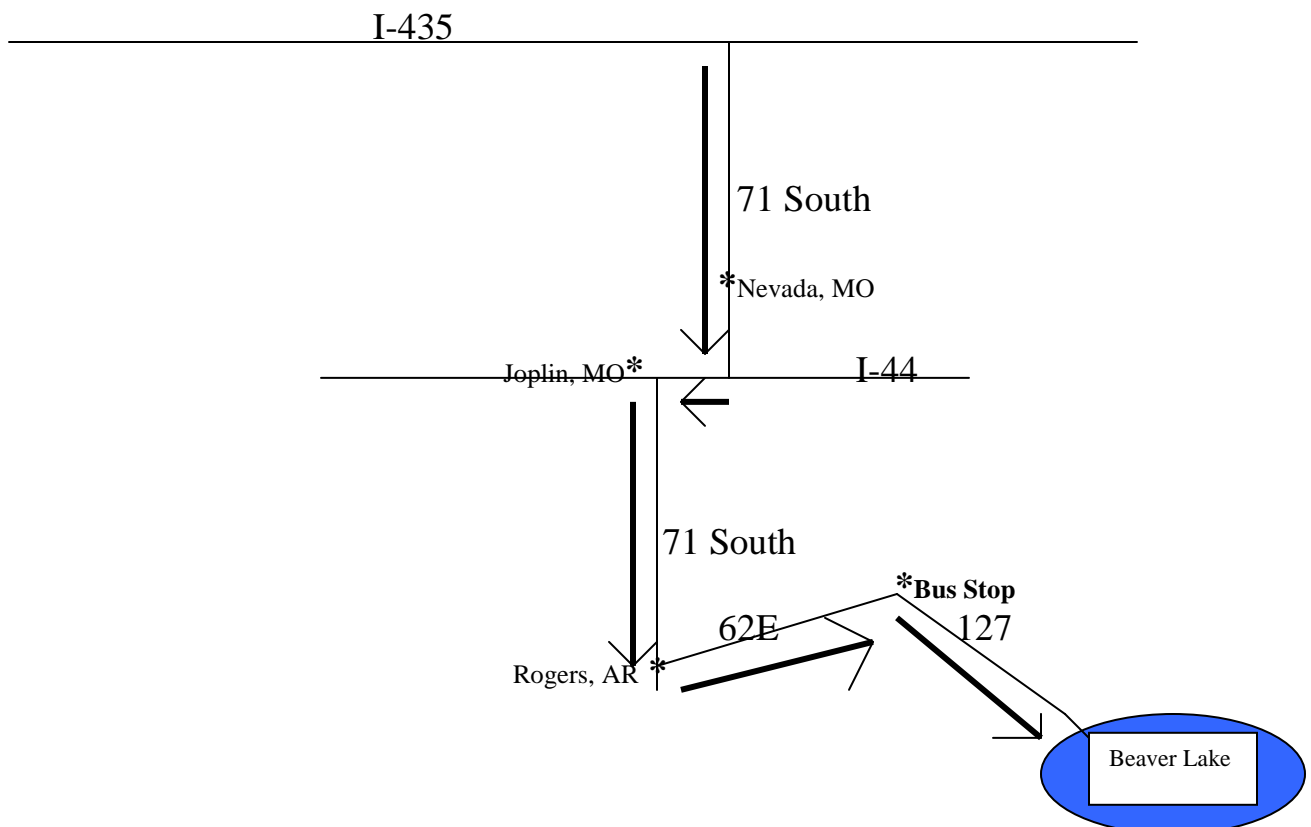

Follow 71 South for approximately 60 more miles and take exit 86 to Rogers. This is the Highway 62 exit. Turn left onto highway 62. Follow highway 62 through the town of Rogers for approximately 15 miles.

Make a sharp uphill right turn at the "BUS STOP" convenience store which is also on the right. Just beyond the turn is a Conoco on the left. Make a left turn at the top of the small hill and cross the train tracks. This puts you on HWY 127.

You will follow HWY 127 for approximately 6 miles to Dogwood. Turn right on Dogwood. The entrance to Dogwood has block like columns on the sides.

Follow Dogwood for about 1 mile and turn left on White Oak (more like a left fork).

The house is roughly another ¼ mile down White Oak on the left. Address 11916 (176)
