Beaver Lake Driving Directions

Lost Bridge Marina

**12861 Marina Rd
Garfield, AR 72732**

Take Interstate 49 (HWY 71) South out of Kansas City.

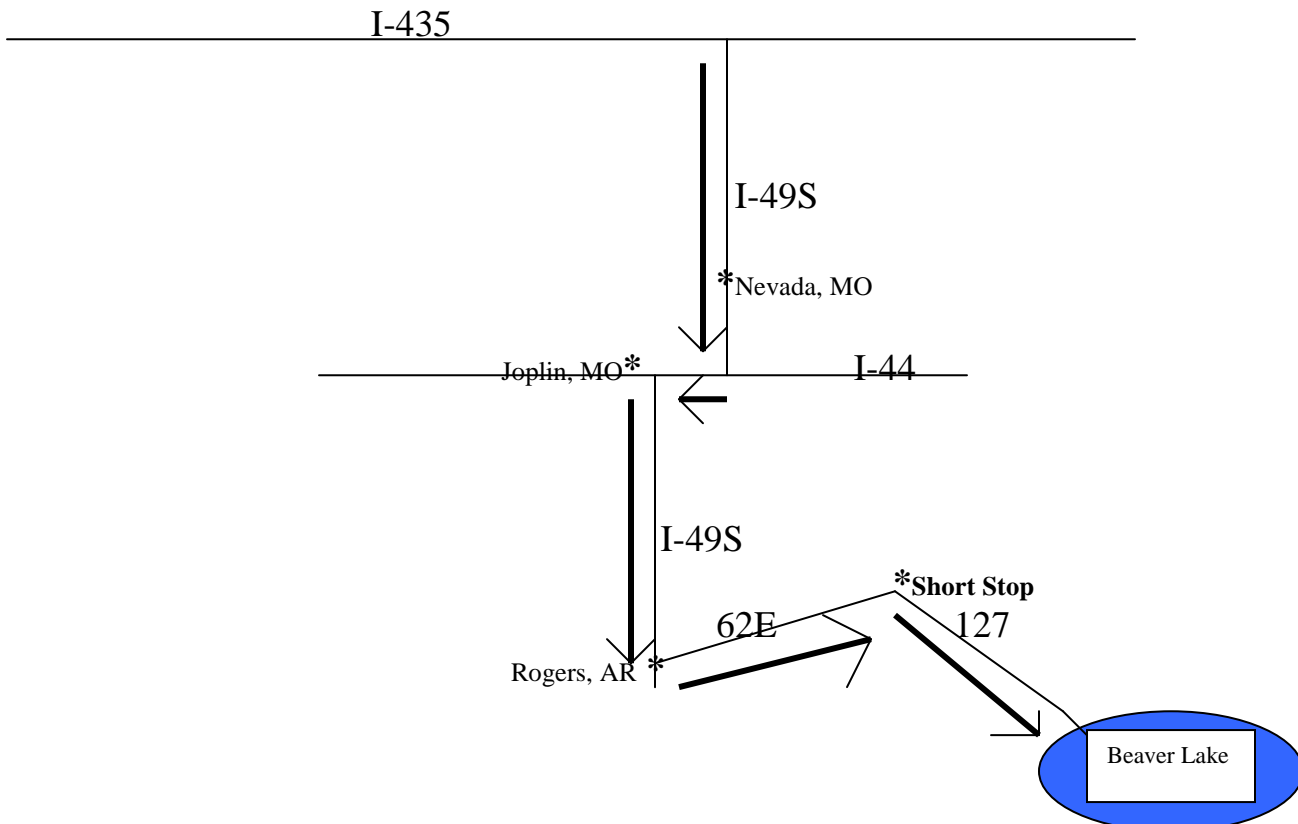

Follow signs for I-49 South for roughly 137 miles to I-44.

For a short time you will have to drive on I-44 West in order to continue on I-49 South (They are the same thing for a short distance). You take I-44 West, then exit 11 A-B to the right for I-49 South, then exit 11A to the left. This will put you back on purely I-49 South.

Follow I-49 South for approximately 60 more miles and take exit 86 to Rogers. This is the Highway 62 exit.

Turn left onto highway 62. Follow highway 62 through the town of Rogers for approximately 15 miles.

Arriving in Garfield AR, make a sharp uphill right turn at the “Short Sop” convenience/gas station/store which is on your left side. Make a left turn at the top of the small hill and cross the train tracks. This puts you on HWY 127. You will follow HWY 127 for approximately 8 miles to Lost Bridge Marina. Just stay in the right lane for Marina customers at the top of the hill, no need to stop.
